## ***NEWS RELEASE***

### **“Hats Off to Lincoln” Family Reading Night at Chesak Elementary School**

In honor of President Lincoln’s bicentennial birthday, family reading night at May Chesak Elementary School was a night that brought parents, caregivers, teachers, community members, and children together to actively participate in the excitement of reading.

There were many smiles and active listening during the performance by Max and Donna Daniels as President Lincoln and Mrs. Lincoln in the main gym. Many thanks are sent to our community members from Huntley Library who shared great stories with our families. The library was open for children to enjoy sitting together and reading with their parents. Each class designed a Lincoln hat and the children used pennies to vote on their favorite hat! Children also enjoyed creating patriotic crafts in the cafeteria.

We are very proud of the participation and enthusiasm displayed by Chesak students.

May Chesak Elementary School is located at 10910 Reed Road, Lake in the Hills, Illinois 60156. For more information, please contact Principal Chuck Lamb at 847.659.5700.
