NEWS RELEASE

Leggee's Young Authors Program A Success!

All students in grades K-5 at Leggee Elementary wrote their very own storybook to become participants in the 35th Annual Illinois Statewide Young Authors Contest.

Young Authors encourages creative writing in young children and celebrates the author in everyone. Students in first through fifth grade wrote and illustrated individual books while kindergarten students produced a class book.

Volunteers from the community came to Leggee to help judge the books selected as classroom winners by their teachers for the school wide contest. This is a challenging task, but the judges took their time and carefully selected two winning stories. The first and second grade winning author was Erin Saulog. The winning author selected for third through fifth grade was Caitlyn Bethke. Erin and Caitlyn will be representing Leggee Elementary at the 35th Annual Statewide Young Authors Conference on May 16 at Illinois State University.

Congratulations to Erin and Caitlyn for their exceptional story writing and to all our young authors at Leggee.

Leggee Elementary School is located at 13723 Harmony Road, Huntley, Illinois 60142. Please contact Leggee Young Authors Program Coordinators Trish Hayden or Gayle Scime at 847-659-6200.
