NEWS RELEASE

ART: The Final Frontier Leggee Elementary Annual Art Show

Over 3,000 pieces of student artwork will be highlighted at Leggee's Annual Art Show. All artwork, murals, and sculptures focus on specific artists, their techniques, or the art elements and principles. Students in each grade level have had experience in painting, drawing, printmaking and sculpture. Large murals and papier-mâché sculptures will also be featured.

The Annual Art Show transforms the entire building into one huge gallery with art on display in the hallways and multi-purpose rooms. Everyone in the family can be involved and become an artist by creating their own masterpiece at one of the family art activity tables. There will also be a wonderful, fun photo opportunity in one of the multi-purpose rooms as well, so be sure to bring your camera!

ART: The Final Frontier will be held on Monday and Tuesday, May 4 and May 5 from 6:00 to 8:00 p.m.

Leggee Elementary School is located at 13723 Harmony Road, Huntley, Illinois 60142. For more information or to volunteer, please contact Ms. Cindy Rick at 847-659-6342 or email at crick@district158.org.
