NEWS RELEASE

Potential Implications of Dangerous Decisions Discussed at Huntley High School

On the afternoon of Thursday, May 7, the Huntley Fire Department, Flight for Life, and the McHenry County Coroner's Office will setup a mock accident scene at Huntley High School. All Juniors and Seniors will observe the dismantling of a wrecked car, emergency medical attention and a helicopter rescue of a seriously injured victim. They will then take part in a presentation by the McHenry County Coroner. This event will provide a lasting impression of the potential implications of dangerous decisions on Prom night and beyond.

Huntley High School is located at 13719 Harmony Road, Huntley, Illinois 60156. For more information, please contact Mr. Anthony Ragona, Dean of Students at (847) 659-6505 or aragona@district158.org.
