Principal's Challenge Nets Great Reward for Students at Conley Elementary

Principal Alice Stech of Conley Elementary recently challenged students to purchase books through the annual Spring Scholastic Bookfair. The goal for purchases was set at \$12,500 during the five day event.

The reward for reaching the goal... a special concert featuring some very popular singers including "Hannah Montana" as portrayed by Principal Stech. An incredible hit for students and staff during a similar concert held last year prompted this year's challenge.

At the conclusion of the Spring Bookfair, students anxiously awaited the tally and soon learned they had not only won the challenge, but had surpassed the goal with purchases totaling \$15,411.

The highly anticipated concert featuring Conley's own "Hannah Montana" will be held on Tuesday, June 2 beginning at 2:00 p.m.

Proceeds from the Scholastic Bookfair will be used to purchase additional books and reference materials for the Conley Elementary Library.

Conley Elementary is located at 750 Academic Drive, Algonquin, Illinois, 60102. For more information, please contact Ms. Alice Stech at (847) 659-3700.
