NEWS RELEASE

Surviving Field Days Was a Breeze for Students at Mackeben Elementary

The Physical Education Department at Mackeben Elementary held their annual Field Days event on Friday, May 29 under sunny skies. This year's theme was "Survivor Field Day".

The fun in the sun included walking through the jungle, kangaroo relays, smashing coconuts, doing the limbo, and taking breaks at the Tiki Hunt Library and Café. All in all, the day was a Super-Successful-Sunny-Survivor!

Special thanks to the generosity of more than 75 parent volunteers, without whom this event would not have been possible.

Mackeben Elementary is located at 800 Academic Drive, Algonquin, IL 60102. For more information, please contact the Physical Education Department staff at (847) 659-3400.

Students hold up their class flag in anticipation of the start of "Survivor Field Day"!
