B Procedure

- 1) The parties hereto acknowledge that it is usually most desirable for a grievant and the immediate supervisor to resolve problems through free and informal communications. If, however, such informal processes fail to satisfy the grievant, a grievance may be filed. The following steps establish the grievance process:
 - a) The grievant presents the grievance, in writing, to the building principal within ten (10) school days of the claim of the contractual violation. The principal will arrange a time and date for a meeting to take place within ten (10) school days after receipt of the grievance. The principal or grievant may also include at this meeting such persons as they deem beneficial to the successful resolution of this problem. The principal shall provide the aggrieved a written answer to the grievance within ten (10) school days after the meeting.
 - b) If the grievance is not resolved at step number one, then the grievant shall refer the grievance in writing to the Superintendent or his official designee within ten (10) school

days after receipt of the step number one answer. The same procedures as outlined in step number one regarding meeting arrangements, time limitations, persons present at the meeting, and written answers to the grievance shall be in effect for step number two.

- c) If the grievance is not resolved at steps number one or number two, then the grievant has the option of requesting in writing that the grievance be placed on the agenda of the next regularly scheduled Board meeting. The grievant may then present the grievance personally to the Board for their consideration and decision. The Board shall provide the grievant with their written decision within twenty (20) school days after the date of which the grievance was heard.
 - d) If the Association is not satisfied with the disposition of the grievance in step three, the Association must file its demand for arbitration with the AAA within thirty (30) school days from the date the decision at step three was rendered. The voluntary labor arbitration rules of the AAA shall apply. The cost of the arbitrator services and other costs of a transcript will be borne equally by the parties.
 - i) Neither party shall be permitted to present any grounds or evidence before the arbitrator, which had not previously been disclosed, to the other party.
 - ii) The arbitrator shall have no power to amend, modify, nullify, ignore, and/or add to the terms of this Agreement. The arbitrator's authority shall be strictly and narrowly limited to deciding only the issues of the grievance filed at the step one level within the limits established in the definition of a "grievance".
- 2) Other Conditions
- a) First Step Bypass
By mutual written agreement between the Superintendent and grievant, the first step of the grievance procedure can be by-passed.
 - b) Meetings Outside of Regular Working Hours
All scheduled step meetings will be held outside regular work hours for employees unless mutually agreed between the Superintendent and grievant to meet at another time.
 - c) Grievant and Association Cooperation
The grievant and the Association shall not interrupt the operation of the District in the investigation of any alleged grievance.
 - d) Timeliness by Parties
Failure of any grievant to act on a grievance within the prescribed time limits will bar any further appeal. Failure by the Administration or Board to act on a grievance response within the prescribed time limits will permit the grievance to automatically move to the next step within the time limits provided in that step.
 - e) Extension of Time Limits
Time limits can be extended by mutual written agreement by the Superintendent and the grievant.
 - f) No Reprisals
No reprisals of any kind shall be taken by the grievant, Association, Administration and/or Board against any certified staff member because of his/her participation or lack of participation in the grievance procedure.
 - g) Filing of Materials
All documents dealing with a grievance shall be filed separately from a certified staff member's personnel file.
 - h) Exclusion of Remedies
In the event a grievant commences a proceeding in any state or federal court or administrative agency against the Board and/or Administration, charging the Board and/or Administration with an alleged violation of this Agreement, such remedy shall be exclusive and said grievant shall be barred from invoking any remedy by this grievance procedure while pursuing a remedy in another jurisdiction. Upon being knowledgeable of the decision

by another jurisdiction, a grievant has the right to re-instate the grievance within ten (10) school days.

i) Expedited Arbitration

Upon completing a mutual written agreement by the Superintendent and the grievant, the expedited arbitration rules of the AAA shall be utilized instead of the voluntary labor arbitration rules.

j) Bypass of Arbitration to Grievance Mediation

By mutual written agreement, the Superintendent and grievant may elect to enter into grievance mediation prior to submitting the grievance to arbitration. The parties shall mutually agree, in writing, on the procedures for mediation, including the handling of costs to implement the process.

Donald Drzal, Board of Education President Date

Memo of Understanding

- The Administration and HEA will form a joint committee, of equal representation of HEA members and administration, to review the certified staff member school day. While the primary focus is on elementary collaboration and planning other levels and areas can be discussed. The committee will make recommendations to the Board of Education for the structure of the school day including both the student day and certified staff member day. Any recommendation and agreements would result in an addendum to the contract.
- During the summer of 2015, Huntley High School implemented the first online course. During the 2015-16 school year, Administration and HEA will form a joint committee to review Online learning. There will be equal representation of HEA members and administration on the committee. The committee will make recommendations, to the bargaining agents for both parties, on such topics as course determination, course content, course duration/calendar, class size, and compensation and teacher office hours. After agreement is reached the recommendations are to be used to set parameters for the 2016-17 school year in terms of online learning courses. The result will become a Memo of Understanding.

****As a result of implementing a new salary schedule for stipends, several coach/coordinator stipend amounts, in accordance with the new step and category schedule, are lower than what was paid in the 2015-2016 school year. As such, all current coaches/coordinators will be “grandfathered” so that they will be paid the higher of the 2015-2016 school year stipend or the amount in accordance with the new salary schedule.**
