## Huntley Community School District 158 Device Protection Plan 201+-201,

In the 201 -201 school year, all students in grades Kindergarten through <sup>th</sup> grade will have a technology device. New this year, Huntley District 158 is offering, as part of each student’s registration fee, the Device Protection Plan. The Device Protection Plan is designed to assist families in covering the cost of accidental damage to student devices.

### What does the Device Protection Plan Cover?

Terms and Conditions of the Protection Plan Agreement:

- Device Protection Plan Cost is part of each student’s Registration Fee.
- Device Protection Plan does not cover misplaced chargers or cases.
- Device Protection Plan does not cover intentional damage, damage due to misuse, or loss.
- Device Protection Plan covers theft – Official Police Report must be filed.
- If device incurs accidental damage, the following fee structure will be applied:

### DAMAGE FEES FOR DEVICES COVERED BY THE D158 DEVICE PROTECTION PLAN

Incident	Damage	Student Cost
1st	Accidental Incident	\$ 0
2nd	Accidental Incident	\$25
3rd	Accidental Incident	Cost of Repair or Replacement of Device
Any	Misuse, Neglect, Intentional Damage or Loss	Cost of Repair or Replacement of Device

### What should I do if my child’s device is damaged?

Have your student inform the classroom teacher. A mobile technician or building administrator will work through the process with you.

### How does the program work?

Under the Device Protection Plan students and parents pay a very modest annual fee as part of the annual school registration fees to cover accidental damage.

### How do I enroll in the Device Protection Plan?

No enrollment necessary as the fee is included in the annual school registration fee.

### What happens if I have a loss?

Contact your school’s front office for further instructions on how to report a claim.

### What is covered under the damage waiver?

Most loss and damage to your school-issued device is covered, subject to the following typical exclusions:

- Any dishonest, fraudulent, malicious or criminal acts.
- Any loss to software, data, multimedia, or other personal information that has been placed on the device.
- Disappearance of device not reported to law enforcement.
- Any use not in accordance with school policies and procedures.
